

F1. Should we make “start lesson” and “finish quiz” stand out more? Perhaps by colouring it light blue (same as the logo)

F2. The “settings” navigation button is named inconsistently with “preferences”, Should we stick to one naming convention for this page? And also, maybe we should have the “Save preferences” button stand out more by being coloured light blue.

F4. Is theme preview a proof of concept or something to be implemented? (for now it does not work.

F5. When using search lessons, should every column of the table be included, for example do we think it makes sense that status is included:

Lesson Library

Lesson ↓	Category ↓	Type ↓	Embodiment ↓	Interaction Style ↓	Status ↓
Swedish Greetings	Swedish Basics	Vocabulary	Furhat	Neutral	Completed
Travel Swedish	Swedish Travel	Vocabulary	Reachy Mini	Encouraging	In Progress
Robot Tutor Demo	HRI Tutor Demo	Vocabulary	Virtual Robot	Encouraging	In Progress
